The donor of scholarship funds cannot take a charitable deduction for a scholarship that is earmarked for the benefit of a specific individual, not even if that individual is unrelated to the donor. Moreover, donors may not circumvent this restriction by tightly delineating the selection criteria.

The selection committee is made up of the Paws 4 Love Board. No scholarships may be awarded to an officer, manager or trustee of the organization, nor to a member of the selection committee. No funds may be awarded to a substantial contributor, nor to US government officials. Family members of these individuals are also not eligible to receive scholarships.

Scholarship funds must be used specifically for college, university or vocational school. This includes tuition, class or lab fees, books and supplies.

The scholarship committee (which consists of the Paws 4 Love Board) has sole discretion and will make the decision on who receives the scholarships, when they are awarded and the amounts awarded.

The deadline is March 31st and scholarship will be awarded in April.
